

TASKI R3-plus

Multi-surface/glass cleaner - concentrate

Description

Multi-surface cleaner concentrate for glass and other water-resistant hard surfaces formulated for use with the JohnsonDiversey Divermite dispenser.

Key properties

- Highly effective neutral product
- Dries quickly without streaking
- Pleasant, fresh Room Care fragrance

Benefits

- Easy spray-on, wipe-off action
- Rapidly removes finger-marks
- Ideal for glass and other water-resistant hard surfaces, e.g. windows, mirrors, tiles
- Leaves a pleasant scent behind
- Colour and alphanumeric codes to prevent application mistakes

Use instructions

Dosage:

Two doses in water-filled Divermite R3 bottle (10% in-use solution).

Directions for use:

Remove the spray trigger from the Divermite R3 bottle and fill with clean, fresh water to the fill level mark indicated on the bottle.

Push the Divermite R3 dispenser button twice to add product.

Securely screw-on the spray trigger, ensure the nozzle is closed, and shake gently to mix.

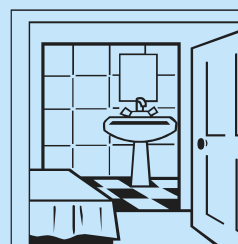

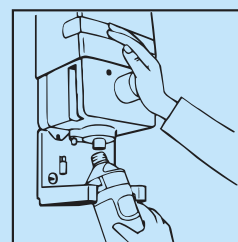

Application:

1. Spray a small quantity onto a soft, lint-free cloth/paper towel and wipe surface clean.
2. Buff with a dry cloth/paper towel for extra shine.

Technical data

Appearance:	Clear blue liquid
Relative density (20°C):	0.970
pH-value neat:	7.0 – 7.5
pH-value in use:	7.5 +/- 0.5 at 10% dilution
The above data is typical of normal production and should not be taken as a specification.

Safe handling and storage information

Safe handling:

Rinse and dry hands after use. The use of a skin reconditioning cream, such as Softcare Derasoft, may be beneficial. For prolonged contact, protection for the skin may be necessary. Do not breathe spray. Use only in well-ventilated areas.

Full guidance on the handling and disposal of this product is provided in a separate Material Safety Data Sheet. For professional users/specialists only.

Storage Information:

Store in original closed containers away from extremes of temperature.

Product compatibility

Test material compatibility in a small, inconspicuous place before use. Do not use with other dilution systems or methods. Do not use undiluted.

Environmental information

The surfactants used in this product are biodegradable in compliance with the requirement of EC Directives 73/404/EEC and 73/405/EEC and their subsequent amendments.
