Suma DIFY™
Manually dosed machine dish wash soluble sachet

Description
The unique DIFY™ 6 in1 soluble sachet and J-Watcher™ dosing alert give you the convenience of a controlled dosing system without the need to install equipment.

DIFY™ delivers the same cleaning results as professional dishwashing multi component systems.

The concept will give you instant powerful washing performance. One sachet will last for multiple wash cycles. So a pack will last up to 600 washes. The J-Watcher will tell you when to dose another sachet.

DIFY™ is specially designed for small under the counter and front load multi cycle machines.

Key properties
The Initial Dosage, Detergent, Rinse-aid, Anti scaling, Bleaching and Soft metal safe are all in one sachet this is an unique product combination. This 6 in 1 product solution will give you immediate powerful washing performance.

Benefits
- EFFECTIVE: Instant excellent results
- ECONOMIC: up to 600 washes
  no need for rinse aid, as rinse aid is included
  no overdosing possible due to J-watcher
- RELIABLE: works under many different conditions and is aluminium safe
- CONVENIENT: sachet can simply be placed into machine
- INTELLIGENT: cleaning & hygiene compliance without equipment
- SAFE: no direct contact with chemical possible

Use instructions
1. Place J-Watcher™ in wash bath and allow to float
2. Place sachet in wash bath; do not unwrap; sachet will dissolve
3. Start wash cycle, red light of the J-Watcher™ will now change to green
4. Wash for multiple cycles; on average up to 15 wash cycles
5. When the J-Watcher™ flashes red, add another sachet

When the J-Watcher™ is not in the water it enters sleep mode.

The J-Watcher™ should be replaced with every new pack. You will find a new free J-Watcher™ in every DIFY™ pack. Dispose of the old J-Watcher™ in the battery container.
